NON-COLLUSION AFFIDAVIT

THIS FORM must be completed, signed, notarized and returned with Bid; and failure to do so, may result in the rejection of your Bid. A separate form must be submitted by each principal of a joint venture Bid.

1. In preparing and submitting this Bid, I, the firm, corporation or officers, agents or employees thereof did not, either directly or indirectly, enter into any combination or arrangement with any person, firm or corporation or enter into any agreement, participate in any collusion, or otherwise take any action in the restraint of free, competitive bidding in violation of the Sherman Act (15 U.S.C. Section 1) or Article 1.1 or Chapter 12 of Title 18.2 (Virginia Governmental Frauds Act), Sections 59.1-9,1 through 59.1-9.17 or Sections 59.1-68.6 through 59.1-68.8 of the Code of Virginia.

2. I, the firm, corporation or officers, agents or employees thereof have neither directly nor indirectly entered into any combination or arrangement with any person, firm or corporation or entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with this Contract, the effect of which is to prevent competition or increase the cost of construction of this Contract.

During the preceding 12 months, I (we) have been a member of the following Highway Contractor's Associations, as defined in Section 33.1-336 of the Code of Virginia (1970). (If none, so state).

BIDDER CERTIFICATION AND PREQUALIFICATION
CLASSIFICATION AND WORK CAPACITY

We _____
(Name of Individual, Partnership, Corporation or Joint Venture)

hereby certify that we have the necessary classification and maximum capacity rating (amount approved by the Prequalification Committee, less amount of all completed work) to perform the work covered by bids submitted for projects at the letting on _____ either with our organization or with subcontractors as provided in the Virginia Department of Transportation Rules and Regulations governing prequalification and classification of prospective bidders (Form C-46, Rev. 1-1-87).

We further certify that, to the best of our knowledge, each proposed subcontractor is prequalified in conformance with said rules and regulations mentioned above for the contract items designated.

In compliance with Form C-46, Rev 1-1-87, a tabulation of all outstanding contracts to date is furnished on the attached sheet "Status of Contracts on Hand."

CONTRACTOR'S BID TO SUBLET*
(To Be Submitted with Bid)

PROJECT NO. 5042.5020 Steel Repair Bridges

Project Description: Provide all work required including all labor, materials, equipment, appurtenances and services to provide complete steel repairs per the drawings and specification herein. The word "Provide" shall mean "Furnish and Install Complete and Ready for Use". Generally, the work includes, but is not limited to, the following:

1. Clean and grind corroded areas of the bridge, per the drawings.
2. Fabricate splice plates for each repair area per the drawings.
3. Shop and/or field drill holes in the fabricated splice plates and floorbeams, stringers or stiffeners per the drawings.
4. Paint bare steel with the specified three coat system and repair any damaged areas to galvanized surfaces.
5. Bolt the splice plates through to the floorbeam, stringer or stiffener per the Project Drawings.

Submitted By: _____
(Firm)

Date bid submitted: _____
(Date)

By signing this bid, the Bidder proposes to sublet to a prequalified contractor the designated dollar amounts:

<u>Name of Subcontractor</u>	<u>Dollar Amount</u>
_____	\$ _____
_____	\$ _____
_____	\$ _____
_____	\$ _____
_____	\$ _____
	Total \$ _____

This form and information are to be submitted by the prime Contractor with his bid in order to be granted prequalification credit for work proposed to be subcontracted. A substitution of subcontractors may be permitted only upon written request and approval by the District.
