

DISTRICT TITLE VI CONTRACTOR EVALUATION FORM

This Title VI Evaluation Form is used for both a Pre-award Review and Post-award Review. The Chesapeake Bay Bridge Tunnel District (District) is required to conduct routine assessments prior to releasing funds to ensure Title VI compliance. A pre- award review assists the District in determining whether applicants operate in a nondiscriminatory manner. Pre-award reviews can also be used to require applicants to take preventive measures to ensure that discrimination will not occur in their services as a condition of receiving contracts. Pre-award reviews represent a frontline approach to eliminating and preventing discrimination before it occurs.

Post-Award Reviews are generally conducted after a contractor begins the scope of work. However, to minimize the burden on the District’s contractors, a form that serves as both a pre-award and post- award compliance tool is herein provided.

The District will also conduct on-site reviews of prime contractors periodically to ensure that the contractor remains in compliance with Title VI and to verify that the contractor has preventive measures to ensure Title VI compliance by their sub-contractors.
